Mr. Andrew Burt, President
Mesa View Estates Board of Directors
12265 W. Bayaud Ave.
Suite 110
Lakewood, CO 80228

Dear Mr. Burt:

Thank you for sending the letter dated May 25, 2010 to the Board of Directors and myself. The Board discussed the invitation at the May 25, 2010 District Board meeting. The two new board members, John Bradley Jr. and Judy Johnson, appreciated the invitation and are interested in attending a meeting at Estates Park with you.

As you know, the Mesa View Estates Board, as well as several individuals including yourself, are parties to a lawsuit against the District. Therefore, it was concluded that it would be valuable for Director Bradley and Director Johnson to attend a meeting and hear your concerns about the park with Paul Rufien, our District Counsel, also attending the meeting. I might suggest that you consider having your attorney present as well.

Furthermore, there was also discussion about the letter that you sent on April 23rd. The decision was made to not take any action on that particular letter until Director Bradley and Director Johnson had an opportunity to meet with you and hear your concerns about maintenance of the park.

If this meeting is still agreeable to you, we will be coordinating the time for Director Bradley and Director Johnson. Please have Ms. Kesler coordinate directly with me.

Thank you,

Ronald Hopp, Executive Director
Foothills Park & Recreation District
