

# FOOTHILLS PARK & RECREATION DISTRICT

*Do you smell that smell?  
they pile up and you just  
want them gone...*

*... and washing doesn't help*

*but it's all too expensive  
to throw away  
- what else can you do?*

## WE HAVE THE SOLUTION TO THIS PROBLEM!

- ▶ In only 14 minutes, the SPORTS-O-ZONE can clean, disinfect and deodorize the toughest of odors. From Athletic Shoes (such as hockey, lacrosse, football), Equipment and Bags to Golf Shoes, Bags and many other items the Sports-O-Zone can handle it all!
- ▶ In the battle against bacteria, this Sports-O-Zone patented system has a kill rate of greater than 99.9% on the Staphylococcus aureus (Staph) and MRSA bacteria.
- ▶ Every piece of equipment you wear, from head to toe (including your bag) can go into the machine – however, under garments, socks, and jerseys should be taken home and washed.
- ▶ REMEMBER: Molds and bacteria NEVER take a day off. Weekly use of the Sports-O-Zone system should become a part of your ONGOING RISK MANAGEMENT PLAN.
