

YOUTH ATHLETICS CODE OF CONDUCT

You, as parents, coaches, or spectators, are an important part of every child's success. In order for every child to get the most out of the game, it is important that you follow the Parent/Coach/Spectator's Pledge:

I PLEDGE TO:

- Be supportive of my child by giving positive encouragement.
- Display good sportsmanship at all times.
- Let my child play the game for themselves.
- Help the coach by asking what they may need help with.
- Respect the referees, scorekeepers, and staff.
- Understand the rules of the game.
- Get involved with the team.
- Sit back, enjoy the game, and watch my child have FUN!

The Foothills Youth Athletics Department has made a commitment to provide quality sport experiences for youth and adults. We feel it is important that children receive the best opportunity to enjoy their recreational experience. Our goal is to provide a safe place for children to learn the rules and how to play the game, but most importantly, to have FUN! You must also remember to respect the game. Parents are expected to follow this Code of Ethics pledge. Foothills has a zero tolerance policy on using bad language or physically assaulting a referee, staff member, fans, coaches, or players. After a first offense of bad behavior, you must meet with a Foothills staff member to determine if any further action will be taken. Any physical assaults may lead to legal action against you. The game is for children, so help us provide a positive sport experience for ALL participants in our leagues.

By registering your child for any Foothills programs, you agree to the Code of Conduct. All parents must abide by this code or it could jeopardize your child's opportunity to play and your opportunity to attend and be a spectator at Foothills activities that your child is involved in.

If you have any questions or need further clarification, please call Wes Dulin 303-409-2613.

Thank you,
