SEPTEMBER 2019

REGISTRATION

Please register your child for team the first week of the session. If your child is not registered by the second week, they will be unable to attend practice until their registration is paid for.

Payment for session August 26 – September 20 is due the week of August 26. We are no longer able to place balances on your account. If you have not paid by the 2nd week, you will receive a phone call to collect payment. If payment is not received, we can't allow your child to practice until the payment is made. We do understand that payments are easy to forget, so we will send out email reminders the first week, and will call the 2nd week.

The following are the dates of each session:

SESSION 1: AUG 26 – SEP 20
SESSION 2: SEP 23 – OCT 18
SESSION 3: OCT 21 – NOV 15
SESSION 4: *NOV 18 – DEC 20

(this is a 5 week session)

** Session 4 is a 5 week session. We are trying to follow more closely to school schedules, so the last session before Christmas break will be a 5 week session. The team members will return the week of January 6 and that will be a 3 week session. Prices will reflect accordingly.*

LABOR DAY

As a reminder, optionals will not be practicing on Monday, September 2 due to Labor Day. Gymnasts can make up this missed practice on any Friday from 4 – 6 p.m.

TRY OUTS

Compulsory gymnasts who have competed in the 2019 season will have try-outs starting the first week in December. Try-out sheets are posted in the back of the gymnastics center. Each gymnast must receive the designated score to move up.

Gymnasts may sit in the gymnastics center until it is time for practice. If they have a snack, they must eat it outside the gymnastics center. Thank you.
