Covid-19 Planning
Our programs continue to be fun, warm, nurturing and educational environments for the children. However, due to new guidelines there will be some changes from past Holiday Break Camps that will include:
• Masks will be required for all children attending programs.
• Children will participate in daily wellness checks upon arrival and throughout the day.
• Campers will be divided into small groups to accommodate social distancing throughout the day.
• Field trips will be limited to on-site amenities and nearby parks, weather permitting.
• Groups of campers will change from day to day and each day will be considered its own camper cohort.
• Parents will not be allowed into the classrooms.
