Annual Facility Closures

****There will be NO PUBLIC ACCESS to these facilities for the duration of the closures****

Every year, Foothills Park & Recreation District closes our recreation centers to perform maintenance, make improvements and deep clean the facilities. This year, the closures at Ridge Recreation Center and Lilley Gulch Recreation Center will be two weeks long, instead of the usual one week, in order to make major upgrades as part of our Energy Efficiency and Mechanical Systems Upgrades Initiative.

Ridge Recreation Center: **Closed AUG 8 – 21**

Improvements include:

- Install seven new HVAC units to replace aging and inefficient equipment
- Replace three boilers
- Install all new interior lighting
- Re-plaster and make repairs to Warm Water Therapy Pool
- Install a new UV pool disinfection system in order to meet future changes to health codes
- Deep clean facility and equipment
- Preventive maintenance on equipment

Lilley Gulch Recreation Center will be closed August 22 – September 5

for similar improvements and repairs.
